Attorney General

Opinion No. 90-108

Agriculture—Kansas Wheat Act—Authorized Expenditures. Steven M. Graham, Administrator, Kansas Wheat Commission, Manhattan, September 14, 1990.

Funding for the Kansas agriculture and rural leadership program is outside the scope of the duties, authorities and powers of the Kansas Wheat Commission and therefore would be a violation of K.S.A. 1989 Supp. 2-2609(b). Cited herein: K.S.A. 1989 Supp. 2-2606; 2-2608; 2-2609. CN

Opinion No. 90-109

Labor and Industries—Employment Security Law—Administration of Act; Political Activities Prohibited, Penalties.

State Departments; Public Officers and Employees—Civil Service—Unlawful Use of Authority or Influence to Cause Persons in Classified Service to Join Organization or Participate in Political Activity; Campaign Contributions by Classified State Employees. Ray D.

Siehndel, Secretary, Kansas Department of Human Resources, Topeka, September 14, 1990.

K.S.A. 1989 Supp. 44-714, as amended by L. 1990, ch. 122, § 17, prohibits designated employees of the Kansas Department of Human Resources from participating in all forms of political activity except as a candidate for non-partisan elective office. Because the state lacks a legitimate interest for such a prohibition, that provision of the statute continues to be unconstitutionally overbroad.

Employees of the Department of Human Resources are permitted to: (1) post yard signs at their residences; (2) participate in fund-raisers; (3) make unsolicited contributions; (4) attend party functions; and (5) work for a particular candidate or party on the employees' own time. However, those employees subject to state statute and those employees subject to the federal Hatch Act are restricted in solicitation of contributions. Cited herein: K.S.A. 1989 Supp. 44-714, as amended by L. 1990, ch. 122, § 17; K.S.A. 75-2953; 75-2974; 5 U.S.C.A. § 1501; 5 U.S.C.A. § 1502. RDS

State Fire Marshal

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 9:30 a.m. Thursday, November 1, in the State Fire Marshal's office, Suite 600, Jayhawk Tower, 700 S.W. Jackson, Topeka, to consider the adoption of proposed changes in existing rules and regulations of the office of the State Fire Marshal.

This 30-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to the State Fire Marshal, 700 S.W. Jackson, Suite 600, Topeka 66603. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

These regulations are proposed for adoption on a permanent basis. A summary of the proposed regulations and their economic impact follows.

K.A.R. 22-2-1. Tank vehicles for flammable and combustible liquids. This regulation is being amended in order to update the requirements to reflect changes in the nationally recognized standards. There is no significant economic impact to state agencies, employees or the general public.

K.A.R. 22-10-1. Certification standards, definitions. This regulation is being amended in order to bring its language into conformance with the language of adopted nationally recognized standards. There is no significant economic impact to state agencies, employees or the general public.

K.A.R. 22-10-2. Applicability. This regulation is being amended to conform with changes being made to K.A.R. 22-10-3 because of an amendment to K.S.A. 31-133a, which was made during the last session of the legislature. Changes being made are of language and an added class

of extinguisher servicing business. There is no significant economic impact to state agencies, employees or the general public.

K.A.R. 22-10-3. Registration certificate. This is being amended because of an amendment to K.S.A. 31-133a during the last session of the legislature. Changes are being made to provide for a new class of fixed fire extinguisher servicing business that is not trained or tested by the manufacturer of the equipment and to provide for testing by the State Fire Marshal for such servicing. Other changes in language and the removal of a section on performance standards are made as required by the Department of Administration reviewer of regulations. There is no significant negative economic impact to state agencies or employees. There is no way of determining the fiscal impact to the licensed businesses or to the general public, therefore it is unknown.

K.A.R. 22-10-3a. Performance standards. This is a new regulation that incorporates the language removed from the original version of K.A.R. 22-10-3, which did not conform to the title of that regulation. For that reason it is being placed under a title of its own. There is no significant economic impact to state agencies, employees or the general public.

K.A.R. 22-10-6. Requirements. An amendment is being made to this regulation in order to bring it into conformance with the amended version of K.S.A. 31-133a. There is no significant economic impact to state agencies, employees or the general public.

K.A.R. 22-10-9. Service tags. This regulation is being amended in order to bring it into conformance with the amended version of K.S.A. 31-133a and K.A.R. 22-10-3. Language changes as required by the Department of Administration reviewer are also made. There is no significant economic impact to state agencies, employees or the general public.

K.A.R. 22-10-14. Dry chemical extinguishing systems. Amendments to this regulation are being made in order to adopt the most recent standards as published by the National Fire Protection Association and to remove language that is considered outdated. There is no significant economic impact to state agencies, employees or the general public.

K.A.R. 22-10-17. Wet chemical extinguishing systems. Amendments to this regulation are being made in order to adopt the most recent standards as published by the National Fire Protection Association and to bring it into conformance with the new version of K.S.A. 31-133a and K.A.R. 22-10-3. There is no significant economic impact to state agencies, employees or the general public.

Copies of the regulations and their economic impact statements may be obtained from the State Fire Marshal's office at the address above, (913) 296-3401.

Doc. No. 009767

State of Kansas

Board of Education

Notice of Hearing on Proposed Administrative Regulations

The State Board of Education will conduct a public hearing at 1:30 p.m. Tuesday, November 13, in Room 121 of the State Education Building, 120 E. 10th, Topeka, to consider proposed changes in State Board Regulation 91-1-34, the revocation of 91-1-62, and the adoption of new S.B.R. 91-1-153.

The following is a summary of the substance of each proposed regulation and a summary of its anticipated economic impact.

1. S.B.R. 91-1-34 concerns special education supervisor/coordinator endorsement. This regulation is being amended to allow individuals who hold full endorsement in a special education subject area (regardless of the level of endorsement) to complete a state-approved special education supervisor/coordinator program and be eligible for that endorsement. There will be no economic impact upon the Kansas State Department of Education (KSDE) or upon other governmental agencies, private businesses or individuals.

2. S.B.R. 91-1-62 concerns accredited out-of-state colleges, universities and validation of credit. This regulation is not needed in the accreditation and approval of programs of teacher education institutions and, therefore, is being revoked. There will be no economic impact upon KSDE or upon other governmental agencies, private businesses or individuals.

3. New S.B.R. 91-1-153 concerns renewal of a vocational certificate or endorsement utilizing inservice education points. Current regulations do not allow most vocational endorsements to be renewed by utilizing inservice education points. This regulation will allow this process. There will be no economic impact upon KSDE or upon other governmental agencies or private businesses. Individuals may save money by using inservice points, instead of college credit hours, to renew their certificates.

All interested persons will be given a reasonable opportunity at the hearing to present their views or arguments, either orally or in writing, in regard to the proposed regulations. In addition, the period of public notice hereby provided constitutes a public comment period for the purpose of receiving written public comments on the proposed regulations. Such written comments may be submitted to the secretary of the State Board of Education at the address above. The hearing shall be conducted in compliance with the public hearing procedures of the board. The full text of the regulations to be considered follows.

91-1-34. Special education supervisor/coordinator. (a) Each applicant for a special education supervisor/coordinator endorsement at the K through 12 level shall have successfully completed a state-approved graduate degree program, the requirements for the K through 12 level endorsement in one or more of the a special education subject areas endorsement and two years of experience in one or more special education subject areas. Each applicant shall be recommended by a teacher education institution.

(b) Each A state-approved special education supervisor/coordinator program shall require students to complete consist of a course of study allowing the requiring each students to demonstrate knowledge of:

(1) Acquire knowledge of procedures to develop and select curricula, instructional methods and media by: The course of study shall allow students to acquire the ability to

(A) Explain explaining the relationship between instructional objectives and the curriculum developed or selected to attain them;

(B) identify identifying the sources of influence upon curriculum development and selection;

(C) develop developing a curriculum unit related to the attainment of meeting the instructional objectives;

(D) describe describing a variety of instructional methods that can be applied used with exceptional pupils;

(E) apply applying an instructional method to an instructional objective;

(F) use using media as a part of the instructional process;

(G) plan planning a process for completing series of objectives to complete a program of curriculum study and development; and

(D) ~~develop developing~~ and ~~implement implementing~~ a plan for *assessing* program needs *assessment*;

(E) ~~conduct conducting~~ a staff development workshop that is related to program needs; and

(f) ~~describe describing~~ procedures to assist staff members in applying *the* knowledge and skills acquired through staff development activities;

(3) ~~Acquire knowledge of human relations and consultation skills-~~ *by: The course of study shall allow students to acquire the ability to*

(A) ~~Explain explaining~~ the function of consultation as part of *in* a supervisor/coordinator's role;

(B) ~~describe describing~~ elements or components of the consultation process;

(C) ~~develop developing~~ a consultation plan to provide assistance to individual and groups of *to assist* staff members, *individually and in groups*; and

(D) ~~display displaying~~ individual and group conferencing techniques;

(4) ~~Acquire knowledge of instructional program evaluation-~~ *by: The course of study shall allow students to acquire the ability to*

(A) ~~Develop developing~~ a plan to instruct *system staff* in the use of a peer supervision system;

(B) ~~describe describing~~ the procedures used to implement a clinical supervision program;

(C) ~~explain explaining~~ the manner in which staff members and how a supervisor/coordinator can collaborate *on with staff members to developing develop* performance evaluation procedures consistent with role descriptions;

(D) ~~plan planning~~ a procedure to ~~conduct~~ for formative and summary evaluations of instructional programs; and

(E) ~~describe describing~~ approaches that can be used to interpret for interpreting and communicate communicating instructional program evaluation information; and

(5) Adequate knowledge of program management activities. *by: The course of study shall allow students to acquire the ability to*

(A) ~~Describe describing~~ processes procedures for the selection, orientation and assignment of staff members;

(B) ~~describe describing~~ the role of the supervisor/coordinator's role in planning and implementing comprehensive instructional services;

(C) ~~develop developing~~ a system to coordinate assignment of teacher education students to directed teaching, practicum, and other related experiences;

(D) ~~plan planning~~ a procedure way to disseminate use research results that can be used to improve instructional programs;

(e) ~~develop developing~~ a plan for the acquisition and distribution of instructional media;

(F) ~~design designing~~ a budget to provide instructional services for pupils in one of the special education subject areas; and

(G) ~~explain explaining~~ the relationship of instructional how to use evaluation data to strategies of instructional improvement improve instruction. (Authorized by and implementing Article 6, Section 2(a) of the Kansas Constitution; effective (temporary) January 8, 1982; (permanent) May 1, 1982; amended May 1, 1986; amended P _____.)

91-1-62. This regulation shall be revoked July 1, 1991. (Authorized by and implementing Article 6, Section 2(a) of the Kansas Constitution; effective (temporary) January 8, 1982; (permanent) May 1, 1982; amended May 1, 1986; amended P _____.)

91-1-153. Renewal of a vocational certificate or endorsement with inservice education points. (a) An applicant holding a three or five-year vocational certificate or endorsement and employed by a local education agency having a state-approved inservice education plan may renew a vocational certificate or endorsement with inservice education points.

(b) Renewal of a three or five-year vocational certificate or endorsement based upon inservice education points shall require:

(1) For any applicant without an advanced degree, experiences worth at least 160 inservice education points during the prior five-year period, which shall include 80 points attributable to college or university credit; and

(2) for any individual with an advanced degree, experiences worth 120 inservice education points during the prior five-year period.

(c) An application for renewal based on inservice education shall be accompanied by verification by the governing body of a local education agency that the inservice credit is valid for renewal.

(d) This method of renewal shall be in addition to other avenues of renewal specified in state board regulations. (Authorized by and implementing Article 6, Section 2(a) of the Kansas Constitution; effective P _____.)

Social and Rehabilitation Services

Notice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted at 9 a.m. Tuesday, October 30, in the SRS board room, sixth floor, Docking State Office Building, 915 Harrison, Topeka, to consider the adoption of proposed changes in existing rules and regulations on a permanent basis.

This 30-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to the Acting Secretary of Social and Rehabilitation Services, Room 603-N, Docking State Office Building, 915 Harrison, Topeka 66612. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

These regulations are proposed for adoption and are scheduled to become effective January 2, 1991. A summary of the proposed regulations and their economic impact follows.

The phrase "Federal Mandate" following an item indicates that the change is required by federal policy. Optional changes in regulations related to federal programs are subject to approval by the U.S. Department of Health and Human Services.

Article 4.—PUBLIC ASSISTANCE PROGRAM

30-4-63. KanWork program requirements. This regulation is being amended to correct a cross-reference in the transitional services section.

Economic Impact: None.

30-4-64. Work program requirements. This regulation is being amended to correct a cross-reference in the transitional services section.

Economic Impact: None.

30-4-120. Special allowances and requirements for applicants and recipients of ADC, ADC-FC, APW, GAU and GA-FC. This regulation is being amended to delete specific reference to the activities and corresponding allowance amounts which shall be issued for work-related transportation expenses during an individual's participation in the KanWork or Work program. This change gives the agency greater flexibility to adjust to specific provisions in the State JOBS and Support Service Plans and does not alter the type and amount of allowances that are currently being provided.

Economic Impact: None.

Article 5.—PROVIDER PARTICIPATION, SCOPE OF
SERVICES, AND REIMBURSEMENTS FOR THE
MEDICAID (MEDICAL ASSISTANCE) PROGRAM

30-5-58. Definitions. This regulation is being amended to change the definition of "complete ownership change"

to the definition of "change of ownership" and to make technical changes.

Economic Impact: None.

30-5-59. Provider participation requirements. This regulation is being amended to add the requirement that durable medical equipment dealers must provide a business outlet in Kansas which is accessible to the public; add that pharmacy providers must be located in Kansas or a border city unless the pharmacy is providing services to children in the custody of the secretary or to program recipients in emergency situations; and make technical changes.

Economic Impact: None.

30-5-94. Reimbursement for pharmacy services. This regulation is being amended to:

- Define the calculated fee basis for professional fees;
- eliminate the 7½ percent fee increase which has been added to the self-imposed fees for the purpose of partially equalizing product cost reimbursement base differences that exist in various third-party payment programs;
- require documentation of third-party payment volume and amount;

- provide more flexibility in scheduling cost reports;

- apply the self-imposed fee if less than lowest calculated fee for those pharmacies who do not file the complete report;

- require new providers to enroll in the medicaid/medikan program and not allow them to bill under an old provider's contract;

- specify the appropriate fee for a reactivated pharmacy; and make technical changes.

Economic Impact: Estimated cost savings of \$36,200 (\$16,424 state general funds).

30-5-95. Cost report requirement for pharmacy services. This regulation is being amended to require reporting in order to receive a fee; clarify that cost report and the prescription survey are separate items; and make technical changes.

Economic Impact: None.

30-5-101. Scope of chiropractic services. This regulation is being amended to reduce coverage to one chiropractic history and one physical per calendar year.

Economic Impact: Estimated cost savings of \$96,197 (\$54,024 state general funds).

30-5-103. Scope of podiatric services. This regulation is being amended to reduce coverage to two office visits and two nursing home visits per calendar year.

Economic Impact: Estimated cost savings of \$117,910 (\$56,773 state general funds).

30-5-104. Scope of psychological services. This regulation is being amended to delete coverage of psychological testing, evaluation and therapy performed in intermediate care facilities for mental health and to make technical changes.

Economic Impact: None.

30-5-111. Screening, evaluation, and referral for adult care home services for persons ineligible to participate in the medicaid/medikan program. This regulation is being revoked as its contents have been moved to Article 10 effective October 1, 1990.

Economic Impact: None.

30-5-116. Scope of rehabilitation services. This regulation is being amended to delete "under the age of 21" as a requirement for Local Education Agency (LEA) services and add "for screening, evaluation and to provide services under an individual education plan or individual family service plan."

Economic Impact: None.

30-5-116a. Reimbursement for rehabilitation services. This regulation is being amended to allow a negotiated payment rate pursuant to a contract for alcohol and drug addiction intermediate level treatment facilities.

Economic Impact: None.

30-5-162. Scope of psychological services for medikan program recipients. This regulation is being amended to reduce the number of testing hours from six to four.

Economic Impact: None.

Article 6.—MEDICAL ASSISTANCE PROGRAM—CLIENTS' ELIGIBILITY FOR PARTICIPATION

30-6-65. Automatic eligibles. This regulation is being amended to delete the provisions allowing for four months of automatic medical eligibility when an individual becomes ineligible for ADC, ADC-FC, or APW because of increased earnings or hours of employment. This provision was superseded on April 1, 1990, by the transitional medical provisions of the Family Support Act of 1988. (Federal Mandate.)

Economic Impact: None.

This regulation is being further amended to delete the provisions allowing nine months of automatic medical eligibility when an individual becomes ineligible for ADC, ADC-FC, or APW because of the termination of the earned income disregards. This provision was superseded on April 1, 1990, by the transitional medical provisions of the Family Support Act of 1988. (Federal Mandate.)

Economic Impact: None.

30-6-73. Deprivation in ADC. This regulation is being amended to clarify and expand the definition of quarters of work for purposes of determining eligibility of an unemployed parent to include individuals who: (a) Earned not less than \$50; (b) participated in the KanWork or Work program as an ADC recipient; (c) attended full-time an elementary or secondary school, or a vocational or technical training course which is designed to prepare the individual for gainful employment; or (d) participated in an education or training program established under the Job Training Partnership Act. No more than four quarters of work as defined in items (c) and (d) may be considered. (Federal Mandate.)

Economic Impact: Estimated increased expenditures of \$5,686 (\$2,445 state general funds).

30-6-103. Determined eligibles; protected income levels. This regulation is being amended to increase the independent living standard for one person from \$386 per month to \$401 per month. This increase is based on a projected 4 percent cost-of-living increase for Social Security and Supplemental Security Income (SSI) recipients that will take effect on January 1, 1991. (Federal Mandate.)

Economic Impact: None.

This regulation is being further amended to increase

the poverty level standard for determining eligibility for Qualified Medicare Beneficiaries (QMB) to 95 percent of the official federal poverty income guidelines. (Federal Mandate.)

Economic Impact: Estimated increased expenditures of \$530,000 (\$227,926 state general funds).

30-6-106. General rules for consideration of resources, including real property, personal property, and income. This regulation is being amended to revoke the current temporary regulation and to readopt on a permanent basis the October 1, 1990, change that required that the combined resources of the husband and wife be considered available to both for the month the institutional arrangement begins if both spouses enter an institutional arrangement. Previously, the combined resources were considered for an additional six months in certain instances. (Federal Mandate.)

Economic Impact: Estimated increased expenditures of \$50,400 (\$21,672 state general funds).

This regulation is being further amended to increase the maximum income allowance a community spouse can receive from an institutional spouse to \$1,628 per month. This increase reflects a projected 4 percent increase in the consumer price index for 1990. (Federal Mandate.)

Economic Impact: Estimated increased expenditures of \$18,900 (\$8,127 state general funds).

This regulation is being further amended to increase the amount of the minimum and maximum property allowances a community spouse may have to \$13,017 and \$65,083 respectively. These increases reflect a projected 4 percent increase in the consumer price index for 1990. (Federal Mandate.)

Economic Impact: None.

Article 7.—COMPLAINTS, APPEALS AND FAIR HEARINGS

30-7-68. Request for fair hearing. This regulation is being amended to make technical changes.

Economic Impact: None.

Copies of the regulations and their economic impact statements may be obtained from the Office of Policy, Room 606-N, Docking State Office Building, Topeka 66612, (913) 296-3969.

Department of Transportation

Notice to Contractors

Sealed proposals for the construction of road and bridge work in the following Kansas counties will be received at the office of the Chief of Construction and Maintenance, K.D.O.T., Topeka, until 10 a.m. C.D.T. October 18, 1990, and then publicly opened:

District One—Northeast

Atchison—59-3 M-1520-02—U.S. 59, 2.0 miles northeast of the Jefferson-Atchison county line, 0.3 mile, grading. (State Funds)

Johnson—69-46 K-4272-01—U.S. 69, 103rd Street overpass 132, 0.5 mile north of I-435, bridge painting. (State Funds)

Johnson—7-46 U-1286-01—K-7, at the Parker intersection and Loula in Olathe, intersection improvement. (Federal Funds)

Leavenworth—73-52 K-1875-04—U.S. 73, north city limits of Leavenworth to Salt Creek bridge on Old U.S. 75, 2.0 miles, overlay. (State Funds)

Lyon—56 C-2720-01—County road, 2.0 miles south of Americus, then south, 0.1 mile, grading, surfacing and bridge. (Federal Funds)

Shawnee—89 U-1314-01—North Kansas Avenue and Burgess in Topeka, traffic signal. (Federal Funds)

District Two—Northcentral

Geary—70-31 K-4273-01—I-70, over K-177 (south lane) bridge 34, 2 miles west of the Geary-Riley county line, bridge overlay. (State Funds)

Jewell—45 C-2634-01—County road, 3.0 miles east and 5.9 miles north of Randall, then north, grading and surfacing. (Federal Funds)

McPherson—59 C-2539-01—County road, 2.2 miles south of Marquette, then south, 0.1 mile, grading and bridge. (Federal Funds)

McPherson—59 C-2540-01—County road, 4.3 miles south of Marquette, then west, 0.3 mile, grading and bridge. (Federal Funds)

McPherson—59 C-2599-01—County road, 4.0 miles west and 3.0 miles north of McPherson, then east 0.2 mile, grading and bridge. (Federal Funds)

District Three—Northwest

Gove—23A-32 K-3624-01—K-23 Alternate, 95 feet south of Front Street, north to 4th Street in Grainfield, 0.3 mile, grading and surfacing. (State Funds)

Graham—33 C-2811-01—County road, 5.0 miles east and 6.0 miles south of Morland, then north, bridge. (Federal Funds)

Rooks—183-82 K-3625-01—U.S. 183, from K-18 south to 5th Street in Plainville, 0.6 mile, pavement reconstruction. (State Funds)

Sheridan/Osborne—106 K-4447-01—Prairie Dog Creek bridge 29 on K-23; South Fork Solomon River bridge 16

on K-181; South Fork Solomon River bridge 43 on U.S. 281 and Twin Creek bridges 30 and 31, bridge painting. (State Funds)

District Four—Southeast

Franklin—30 C-2016-01—County road, 1.0 mile west and 1.0 mile south of Pomona, then south, 0.3 mile, bridge replacement. (Federal Funds)

Miami—61 C-2765-01—County road, 2.5 miles west and 0.7 mile south of Louisburg, then south, 0.2 mile, grading and bridge. (Federal Funds)

Montgomery—63 C-2391-01—County road, 5.5 miles north of Tyro, then north, 1.5 miles, grading and bridge. (Federal Funds)

Neosho—67 C-2541-01—County road, 2.8 miles east and 1.3 miles south of Earlton, then south, 0.2 mile, grading and bridge. (Federal Funds)

Neosho—67 C-2542-01—County road, 7.0 miles north and 1.3 miles west of Erie, then west, 0.1 mile, grading and bridge. (Federal Funds)

District Five—Southcentral

Sedgwick—87 C-1550-01—County road, from Valley Center, then north, 4.2 miles, surfacing. (Federal Funds)

District Six—Southwest

Clark—283-13 K-0181-01—U.S. 283, Big Sandy Creek bridge 23, 6.6 miles north of the Oklahoma-Kansas state line, bridge replacement. (Federal Funds)

Ford—29 U-1285-01—Intersection of Comanche and 14th Street in Dodge City, traffic signal. (Federal Funds)

Proposals will be issued upon request to all prospective bidders who have been prequalified by the Kansas Department of Transportation on the basis of financial condition, available construction equipment, and experience. Also, a statement of unearned contracts (Form No. 284) must be filed. There will be no discrimination against anyone because of race, age, religion, color, sex, handicap, or national origin in the award of contracts.

Each bidder shall file a sworn statement executed by or on behalf of the person, firm, association or corporation submitting the bid, certifying that such person, firm, association or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This sworn statement shall be in the form of an affidavit executed and sworn to by the bidder before a person who is authorized by the laws of the state to administer oaths. The required form of the affidavit will be provided by the state to each prospective bidder. Failure to submit the sworn statement as part of the bid-approval package will make the bid nonresponsive and not eligible for award consideration.

Plans and specifications for the projects may be examined at the office of the respective county clerk or at the K.D.O.T. district office responsible for the work.

State Historical Society**Request for Applications for Preservation Grants**

The Historic Preservation Department of the Kansas State Historical Society will accept qualified applications until October 12 for federal fiscal year 1991 federal Historic Preservation Fund grants to be used for survey and planning grants.

Survey and planning grants can be awarded to cities, counties, regional planning commissions, universities, historical societies and other eligible groups for such activities as local historic resource surveys (both at the reconnaissance and the comprehensive levels), archeological surveys, preparation of local historic context statements and preservation plans. Grants are also available for pre-development activities such as architectural plans and specifications, historic structures reports or engineering studies, as well as for certified local governments' various preservation education projects. Grant projects are 50 percent federal funds and 50 percent applicant's match.

Questions and requests for applications should be directed to the Historic Preservation Department, Kansas State Historical Society, 120 W. 10th, Topeka 66612-1291, (913) 296-7080.

Ramon Powers
Executive Director

Doc. No. 009754

State of Kansas

Department of Transportation**Notice to Consulting Engineers**

The Kansas Department of Transportation is seeking the services of prequalified consultant engineering firms for the following 15 packages of projects. Responses must be received by October 11 for any or all projects for which the consultant engineering firm wishes to be considered. Seven signed copies of responses need to be mailed to Al Cathcart, P.E., Project Control Engineer, Office of Engineering Support, K.D.O.T., 7th Floor, Docking State Office Building, Topeka 66612.

All projects will require surveys to be completed by the consulting engineering firm. Items such as traffic control signing, seeding and erosion control, pavement marking, traffic signalization, lighting, right of way procurement activities, geology, permit development, traffic data, utility and railroad agreement efforts, etc., may require consultant firm involvement.

It has been established that all pavement marking, lighting, traffic signals, traffic control plans and permanent signing plans necessary for Packages #1 through #10 will be designed by the consultant. Information on other activities that will be performed by either K.D.O.T. or the consultant will be established and furnished to the consulting engineering firms who are short listed by the K.D.O.T. selection committee prior to interview by the K.D.O.T. negotiating committee.

(continued)

Package #1

Doniphan—36-22 K-4442-01 (FY 94)—Construct a new interchange on U.S. 36 just west of Elwood.

Package #2

Finney—83-28 K-4439-01 (FY 94)—Construct a new interchange at the junction of U.S. 50, U.S. 83 and K-156 near the northeast corner of Garden City.

Package #3

Pottawatomie—24-75 K-3325-01 (FY 95)—Construct two new lanes and rehabilitate the existing two lanes to provide a four-lane expressway from the end of the four-lane section east of Manhattan east to one mile east of K-99 at Wamego, 11.1 miles.

Package #4

Finney—50-28 K-4330-01 (FY 94)—Widen U.S. 50 to four lanes with paved shoulders and turning lanes from the junction of U.S. 50 and U.S. 83 east for 2.25 miles.

Package #5

Ottawa—81-72 K-4428-01 (FY 94)—Construct two new lanes and rehabilitate the existing two lanes to provide a four-lane expressway from the end of the existing four lane near Minneapolis, north approximately 14.4 miles to the Ottawa/Cloud county line. Design services include design concept and preliminary engineering work preparatory to construction.

Cloud—81-15 K-4429-01 (FY 94)—Location and design concepts for addition of two new lanes and rehabilitation of the existing two lanes to provide a four-lane expressway from the Ottawa/Cloud county line, north approximately 17.4 miles to the existing four lane in Concordia. Design services include design concept work preparatory to developing detailed construction plans for K-4429-02 (FY 95) and K-4429-03 (FY 96).

Package #6

Riley—113-81 K-4438-01 (FY 95)—Reconstruct K-113 to four lanes from .1 mile north of K-18 to Anderson Avenue except the Wildcat Creek bridge and approaches which are being designed under Project No. 113-81 K-2047 by K.D.O.T. forces to be let in FY 91. Widen and overlay the existing K-113 roadway from Anderson Avenue north to Marlatt Avenue. Widen bridges 037 and 038 over Anderson Avenue and Kimball Avenue. Total length of project is approximately 3.9 miles.

Package #7

Allen—169-1 K-4419-01 (FY 96), **Anderson**—169-2 K-4420-01 (FY 96); **Anderson**—57-21 K 4421-01 (FY 96)—Construct a new two-lane highway from the junction of U.S. 54 and K-269, north to Colony. Reconstruct one mile of U.S. 169 from Colony north. Relocate K-57 from one mile north of Colony west to existing K-57. These projects will be approximately 13 miles long. An interchange is to be constructed at U.S. 54.

Package #8

Riley—177-81 K-3245-01 (FY 95)—Widen existing K-177 by constructing two new lanes and rehabilitating the existing two lanes to provide a four-lane expressway between I-70 and the Kansas River, a distance of approximately 7.8 miles.

Package #9

Sedgwick—254-87 K-4417-01 (FY 95)—Widen U.S. 254

by constructing two lanes and rehabilitating the existing two lanes to provide a four-lane expressway from the end of the existing four lanes near Kechi northeast of Wichita, to K-196 west of El Dorado, a project length of 21 miles.

Package #10

Ford—56-29 K-4422-01 (FY 94)—Construct a two-lane partially controlled access roadway with four-lane right of way as a bypass around the southeast part of Dodge City. The facility will start at the junction of U.S. 56 and U.S. 283, and continue northeast to the junction of K-154 and K-129. Length of project is approximately 3.3 miles.

Package #11

Cloud—81-15 K-3389-01 (FY 94)—Replace bridge no. 20 in Concordia over the Union Pacific Railroad and Atchison, Topeka and Santa Fe Railway tracks.

Package #12

Sumner—160-96 K-4071-01 (FY 94)—Replace bridge no. 65 over U.S. 81 and the Union Pacific Railroad tracks. Also improve the interchange of U.S. 81 and U.S. 160.

Package #13

Cherokee—160-11 K-3303-02 (FY 93)—Replace bridges no. 14, 21, 22, and 24 over Lightning Creek drainage, Wolf Creek and Brush Creek. Provide overlay, widening and guard rail on bridges no. 15, 20 and 23, which are Plumb Creek drainage, Lime Creek and Wolf Creek drainage.

Package #14

Cherokee—96-11 K-4069-01 (FY 94)—Replace bridge no. 48 over the Neosho River drainage and bridge no. 49 over the Neosho River just east of the Labette County line.

Package #15

Cowley—77-18 K-4432-01 (FY 95)—Construct a two-lane partially access controlled roadway on four-lane right of way from an intersection just north of the Walnut River on U.S. 77 east and northeast to a connection with another project (77-18 U-1244-01) at 12th Street and Brant Road, to complete a southeast circumferential to U.S. 160 just east of Winfield.

Firms expressing interest in these projects must respond in writing and complete the Consulting Engineering Qualification Questionnaire (if not already prequalified) by October 11. It is the policy of K.D.O.T. to use the following criteria as the basis for selection of engineering consulting firms:

1. Size and professional qualification of firm.
2. Experience of staff.
3. Location of firm with respect to proposed project.
4. Work load of firm.
5. Firm's performance record.

Horace B. Edwards
Secretary of Transportation

Doc. No. 009771

State of Kansas

Board of Agriculture

Notice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted at 9:30 a.m. Monday, October 29, in Conference Room A of the Kansas State Board of Agriculture, 109 S.W. 9th, Topeka, at which time all interested persons will have an opportunity to be heard regarding the adoption of proposed temporary and permanent rules and regulations of the Kansas State Board of Agriculture. The proposed rules and regulations will become effective as permanent regulations 45 days after their publication in the *Kansas Register*. K.A.R. 99-26-1 will become effective also as a temporary regulation as soon as possible.

All interested persons may attend the hearing and will be given an opportunity to express comments either orally or in writing, or both. In addition, the period of at least 30 days notice constitutes a public comment period for the purpose of receiving public comments on the proposed rules and regulations.

Written comments and requests for copies of the regulations and the complete economic impact statement should be sent to Kenneth M. Wilke, Chief Counsel, Kansas State Board of Agriculture, 109 S.W. 9th, Topeka 66612, at or before the time of the hearing. If you intend to present testimony in person at the hearing, prior notice to this office would be helpful in arranging the agenda. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentations to five minutes.

A summary of the proposed regulations is as follows:

99-26-1. Sets fees for testing and proving weights at \$30 per hour and sets corresponding fees for grain hopper scales at \$50 per hour. (This regulation will be adopted as both a temporary and a permanent regulation.)

4-4-900. Establishes definitions for fertilizer containment regulations.

4-4-901. Establishes basic requirements for storage containers and appurtenances.

4-4-902. Prohibits future underground storage of fertilizer and establishes conditions for existing underground storage of fertilizer.

4-4-903. Lists materials prohibited for use in construction of storage containers.

4-4-904. Requires storage containers to be anchored.

4-4-905. Establishes security requirements.

4-4-906. Establishes requirements for filling storage containers.

4-4-907. Establishes requirement for pipes and fittings.

4-4-908. Establishes requirements for liquid-level gauging devices.

4-4-909. Establishes labeling requirement for storage containers.

4-4-910. Establishes inspection and maintenance requirements for storage facilities.

4-4-911. Establishes requirements for containment areas and loading pads.

4-4-912. Establishes procedure for handling abandoned containers.

4-4-920. Establishes methods for storage and handling of dry bulk fertilizer.

4-4-921. Establishes record keeping requirements.

4-4-922. Establishes discharge response plan requirements.

4-4-923. Establishes requirements for existing storage tanks which have a capacity of 100,000 or more gallons.

4-4-924. Establishes requirements on construction of new tanks having a capacity of 100,000 gallons or more.

4-4-931. Establishes requirements on dikes secondary containment of bulk fertilizer.

4-4-932. Establishes requirements on dike walls.

4-4-933. Establishes requirements on liners for dikes.

4-4-934. Establishes conditions on use of elephant rings.

4-4-935. Establishes conditions upon drainage from containment areas within dikes.

4-4-936. Establishes conditions upon use of a sump in lieu of a recessed catch basin.

4-4-937. Establishes inspection and maintenance requirements on secondary containment areas.

4-4-950. Establishes time frames for submission of initial diagram or plans.

4-4-951. Establishes requirements for construction plans.

4-4-952. Establishes time frames for submission of construction plans (fluid fertilizer).

4-4-953. Establishes time frames for submission of construction plans (dry fertilizer).

4-4-954. Establishes reporting requirements on discharged fertilizer.

Regarding the proposed amendment of K.A.R. 99-26-1, there will be approximately \$56,343 additional revenue generated for the state weights and measures laboratory. There will be no fiscal or economic impact on other governmental agencies, individuals, private businesses or the general public except for the increased fees charged for tests requested by those people or entities who wish to have grain hopper scales or other weighing or measuring devices tested by the state sealer or the state weights and measures laboratory.

Regarding the proposed regulations 4-4-900, 4-4-901, 4-4-903 through 4-4-910, inclusive, 4-4-920, 4-4-921, 4-4-922 and 4-4-937, there will be minimal, if any, fiscal or economic impact on this agency or other governmental agencies, individuals, private businesses or the general public.

Regarding the economic impact of proposed regulations 4-4-902, 4-4-911, 4-4-912, 4-4-923, 4-4-924 and 4-4-931 through 4-4-936, inclusive, there will be minimal if any fiscal or economic impact on this agency or other governmental agencies, individuals, private businesses or the general public except for those individuals or businesses that store fertilizer in bulk. For those individuals and businesses affected, the actual cost of constructing loading pads, diked containment areas, dry fertilizer storage facilities, etc., will depend upon the size of the storage facility and the materials used. The agency estimates that the cost to a small facility (18,000 gallons of storage) for a concrete pad and necessary diking to be approximately \$14,000 and a corresponding cost of approximately \$25,000 for a large facility (150,000 gallons of storage).

(continued)

Regarding the economic impact of proposed regulations 4-4-950 through 4-4-954, inclusive, there will be minimal fiscal impact on other governmental agencies, individuals, private businesses or the general public except for those individuals or businesses who store fertilizer in bulk. For those who store fertilizer in bulk, the cost of preparing construction plans depends upon the amount of construction to be done. The fiscal impact upon this agency is currently estimated to be \$24,184.

Gary Hall
Acting Secretary of Agriculture

Doc. No. 007773

State of Kansas

Board of Agriculture

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 9:30 a.m. Tuesday, October 30, in Conference Room A of the Kansas State Board of Agriculture, 109 S.W. 9th, Topeka, at which time all interested persons will have an opportunity to be heard regarding the adoption of proposed permanent rules and regulations of the Kansas State Board of Agriculture. In addition, certain regulations will be revoked. The proposed rules and regulations will become effective 45 days after their publication in the *Kansas Register* unless a specified date is contained in the regulation.

All interested persons may attend the hearing and those attending will be given an opportunity to express comments either orally or in writing, or both. In addition, the period of at least 30 days notice constitutes a public comment period for the purpose of receiving comments on the proposed rules and regulations.

Written comments and requests for copies of the regulations and the complete economic impact statement should be sent to Kenneth M. Wilke, Chief Counsel, Kansas State Board of Agriculture, 109 S.W. 9th, Topeka 66612, at or before the time of the hearing. If you intend to present testimony in person at the hearing, prior notice to this office would be helpful in arranging the agenda. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentations to five minutes.

A summary of the proposed regulations is as follows:

- 4-16-1a. Makes technical language changes only.
- 4-16-1c. Updates the federal meat inspection regulations adopted by reference to the July 20, 1990, edition.
- 4-17-1a. Changes only.
- 4-17-1c. Updates the federal poultry inspection regulations adopted by reference to the July 20, 1990, edition.
- 4-7-1. To be revoked.
- 4-7-2. Deletes unnecessary language.
- 4-7-4. Deletes unnecessary language and reduces cooling requirements to 45° F from 50° F.
- 4-7-5. To be revoked.
- 4-7-7. To be revoked.
- 4-7-213. Technical changes only.
- 4-7-214. Technical changes only.

- 4-7-215. Technical changes only.
- 4-7-300 to 4-7-306 inclusive. To be revoked.
- 4-7-400 to 4-7-407 inclusive. To be revoked.
- 4-7-509. To be revoked.
- 4-7-700. To be revoked.
- 4-7-702. To be revoked.
- 4-7-709. To be revoked.
- 4-7-715. Technical changes only.
- 4-7-716. Adopts by reference Grade A Pasteurized Milk Ordinance as revised on October 1, 1989.
- 4-7-717. Technical changes and updates CFR definitions to April 1, 1990, edition.
- 4-7-718. Technical changes only.
- 4-7-719. Technical changes only.
- 4-7-720. Adopts by reference 15th edition of "Standard Methods for Examination of Dairy Products" and 15th edition of "Official Methods of Analysis of AOAC."
- 4-7-721. Adopts by reference "Fabrication of Single Service Containers and Closures for Milk and Milk Products" as revised in 1985.
- 4-7-722. Adopts by reference "Grade A Condensed and Dry Milk Products and Condensed and Dry Whey" as published in supplement I of the 1978 Grade A Pasteurized Milk Ordinance.
- 4-7-1000. Establishes license procedures for milk haulers.
- 4-7-1001. Establishes license procedures for milk testers.
- 99-40-1. Establishes program definitions for gasoline pumps.
- 99-40-2. Establishes labeling requirements for gasoline pumps.
- 99-40-3. Establishes invoice requirements for wholesalers and distributors of gasoline.

Regarding the proposed amendments to K.A.R. 4-16-1a, 4-16-1c, 4-17-1a and 4-17-1c, regarding meat and poultry inspection, there will be minimal if any, fiscal or economic impact on this agency, other governmental agencies, individuals, private businesses or the general public.

Regarding the proposed amendments to or revocations of K.A.R. 4-7-1, 4-7-2, 4-7-4, 4-7-5, 4-7-7, 4-7-213 through 4-7-215, inclusive, 4-7-300 through 4-7-306, inclusive, 4-7-400 through 4-7-407, inclusive, 4-7-509, 4-7-700, 4-7-702, 4-7-709, 4-7-715 through 4-7-722, inclusive, 4-7-1000, 4-7-1001, and 99-40-1 through 99-40-3, inclusive, there will be minimal, if any, fiscal impact upon this agency, other governmental agencies, individuals, private businesses or the general public.

Gary Hall
Acting Secretary of Agriculture

Doc. No. 009774

State of Kansas

State Conservation Commission

Notice to Contractors

Sealed bids for the construction of a 22,700 cubic yard detention dam, Site E-14 in Jefferson County, will be received by the Delaware Watershed Joint District No. 10 at the district office, 125 W. 4th, Holton 66436, until 2 p.m. on October 12 and then opened. A copy of the invitation for bids and plans and specifications can be obtained from the district office, (913) 364-4309.

Kenneth F. Kern
Executive Director

Doc. No. 009757

State of Kansas

Kansas Arts Commission

Notice of Governor's Arts Awards
Nomination Deadline

Nominations from Kansas citizens and organizations are now being accepted by the Kansas Arts Commission for the 1991 Governor's Arts Awards. This program, sponsored by the commission with the cooperation of Governor Mike Hayden, recognizes outstanding contributions to the arts in Kansas by visual artists, performing artists, creative writers or publishers, folk artists, arts educators, arts advocates, arts organizations, and individual or corporate arts patrons. The impact of a nominee's efforts may have been at the community, regional, state or national level.

Completed nomination forms and required support materials must be received in the commission office by Friday, November 2.

Eligible for nomination are any individuals residing in Kansas or any business, organization or institution located in Kansas at the time of nomination. Members of the commission and its staff, members of the Governor's Council on the Arts, and previous recipients of the Governor's Artists or Governor's Arts Awards are not eligible.

Award recipients will be selected from among the nominees by a panel that includes members of the commission, members of the council, a delegate from the Governor's staff, and representatives of various arts disciplines and organizations.

The panel will select up to six honorees based upon such criteria as the significance and magnitude of creative achievement, the length of time and intensity of activity dedicated to the arts, the leadership initiatives that stimulated growth and support of the arts, and the contributions to excellence and availability of the arts.

For more information, contact the Kansas Arts Commission, Jayhawk Tower, 700 Jackson, Suite 1004, Topeka 66603-3714, (913) 296-3335.

Dorothy L. Ilgen
Executive Director

Bill Graves
Secretary of State

Doc. No. 009747

State of Kansas
 Department of Corrections
 Permanent Administrative
 Regulations

Article 6.—GOOD TIME CREDITS

44-6-101. Definitions. (a) "Establishment of good time credits" means the creation of that pool of credits which decrease part of the term of actual imprisonment for good work and behavior over a period of time. Good time credits shall not forgive or eliminate the sentence but shall function only to allow the inmate to earn the privilege of being released from incarceration earlier than the full minimum or maximum sentence, subject to conditions specified and imposed pursuant to applicable law. Following a revocation of parole, good time credits shall not be available to reduce the period of incarceration prior to a Kansas parole board hearing for reparole.

(b) "Allocation of good time credits" means the break down of the total amount of established good time credits into groups of credits which are available to the inmate in separate time periods.

(c) To "earn good time credits" means that the inmate shall have acted in such a way as to merit a reduction of the term of actual imprisonment by those credits.

(d) "Award of good time credits" means the act of the unit team, as approved by the program management committee and the warden or designee, granting all or part of the allocation of credits available for the time period under review.

(e) "Forfeiture of good time credits" means the removal of the credits and consequent reinstatement of a term of actual imprisonment by the disciplinary board pursuant to K.A.R. article 44-12 and K.A.R. article 44-13 as published in the inmate rule book.

(f) "Application of good time credits" means the entry of the credits or forfeitures into the official record of the inmate and the consequent adjustment of parole eligibility or conditional release.

(g) "Parole eligibility" is the characteristic of having served the sentence required by law to the extent that the law would permit immediate release on the order of the Kansas parole board, by the granting of a parole.

(h) "Work and good behavior credits" mean good time credits, which are described in subsection (a).

(i) "Abscond" means departing without authorization from a geographical area or jurisdiction prescribed by the conditions of one's parole.

(j) "Aggregated controlling sentence" means a controlling sentence composed of two or more sentences. An aggregated controlling sentence has a minimum term consisting of the sum of the minimum terms and a maximum term consisting of the sum of the maximum terms. The term "aggregated" shall be applied only to consecutive sentences.

(k) "Merged controlling sentence" means a controlling sentence composed of two or more sentences with the shorter merged into the longer. The longest period of incarceration on any of those sentences shall control the parole eligibility date, conditional release date, and discharge or net maximum date.

(l) "Composite sentence" means any sentence formed by the combination of two or more sentences.

(m) "Conditional release date," or CR date, means the maximum sentence ending date minus total authorized good time credits not forfeited.

(n) "Consecutive sentence" means a series of two or more sentences imposed by the court in which the minimum terms and the maximum terms, respectively, are to be aggregated.

(o) "Concurrent sentence" means two or more sentences imposed by the court with minimum and maximum terms, respectively, to be merged.

(p) "Controlling sentence" means that sentence made up of the controlling minimum term and the controlling maximum term of any sentence or composite sentence.

(q) "Controlling maximum date" means the calendar date ending the incarceration. This date is derived by adding the controlling maximum term imposed by the court to the sentence begins date.

(r) "Controlling minimum date" means the calendar date derived by adding the controlling minimum term to the sentence begins date.

(s) "Controlling maximum term" means the length of that maximum sentence imposed by the court which constitutes the longest required period of incarceration to be served, as that period of incarceration is determined according to applicable case and statutory law and these regulations. See also 44-6-141.

(t) "Controlling minimum term" means the length of the sentence to be served to reach the controlling minimum date as determined according to applicable case, statutory and regulatory law. See also 44-6-140.

(u) "Delinquent time lost on parole," or DTLOP, means the time lost on the service of sentence from which paroled due to being on absconder status after a parole violation warrant was issued until the warrant was served.

(v) "Multiple sentences" means two or more sentences imposed by one or more courts.

(w) "Prior penal credit" means the penal time credited for time the inmate previously was incarcerated on the sentence. Prior penal credit shall be given in the following manner:

(A) Full credit shall be given for time spent previously incarcerated on a sentence when the inmate is returned to incarceration for reasons not related to the imposition of a new sentence. Any disposition which removes the inmate from incarceration so that the sentence does not continue to run while the inmate is absent from incarceration shall not be included as prior penal credit.

(B) Prior penal credit shall be credited for time spent incarcerated on a sentence that has subsequently been aggregated due to the imposition of a consecutive sentence. This credit shall be limited to the time spent incarcerated on the previous sentence but not exceeding an amount equal to the previous minimum sentence less the maximum amount of good time credit that could have been earned on the minimum sentence under the law in effect at that time.

(x) "Jail time credit," or JC, means the time spent in confinement, pending the disposition of the case, before the sentencing to the custody of the secretary of corrections pursuant to K.S.A. 21-4614, or on or after May 19, 1988, time spent in a residential center while on probation.

or assignment to a community correctional residential services program.

(y) "Sentence begins date" means the calendar date on which service of the sentence is to begin running. This date, as established by the court, shall reflect the time allowances as defined in jail credit time. This date shall be adjusted by department of corrections staff if prior penal credit is applicable. If no jail credit is involved but prior penal credit exists, the prior penal credit shall be subtracted from the sentence imposition date to determine the sentence begins date.

(z) "Sentencing date" means the date on which the sentence is imposed by the court upon conviction. "Sentencing date" is also known as the sentence imposition date.

(aa) "Time lost on escape" means the time not counted on the service of sentence while the inmate is on escape status. It is the time from which the escape took place to the time of apprehension.

(bb) "Forfeited good time on parole" means the amount of good time ordered forfeited by the Kansas parole board from the amount earned from the date of authorized release to the date delinquent time on parole began or to the date of admission to a department of corrections' facility.

(cc) "Maximum sentence credit" means the total period of incarceration served on a sentence beyond the limitation for credit awarded as prior penal credit. This credit shall be used to adjust the maximum expiration date of the sentence. (Authorized by K.S.A. 75-5210, as amended by 1990 S.B. 748, § 48; 75-5251, as amended by 1990 S.B. 748, § 60, implementing K.S.A. 22-3427; K.S.A. 1989 Supp. 21-4608, 22-3717; K.S.A. 75-5210, as amended by 1990 S.B. 748, § 48; 75-5251, as amended by 1990 S.B. 748, § 60; effective May 1, 1981; amended, T-84-32, Nov. 23, 1983; amended May 1, 1984; amended Nov. 12, 1990.)

44-6-108a to 44-6-114b. (Authorized by K.S.A. 75-5251, K.S.A. 1983 Supp. 75-5210; implementing K.S.A. 22-3427, 75-5251, K.S.A. 1983 Supp. 21-4608, 22-3717, 75-5210; effective, T-84-32, Nov. 23, 1983; effective May 1, 1984; revoked Nov. 12, 1990.)

44-6-114c. Parole eligibility computation. (a) For concurrent and aggregated consecutive terms not involving class A felonies, parole eligibility, including sentences pursuant to K.S.A. 21-4816, or mandatory gun law, shall be set at the minimum term less good time award.

(b) Concurrent class A felony sentences shall have a fixed parole eligibility date of 15 years.

(c) Parole eligibility for consecutive sentences including one of more class A felonies shall be determined by computing the parole eligibility on the aggregate minimum terms for crimes which are not class A felonies, and adding an additional 15 years for each class A felony. The class A felony sentence shall be served first with the 15 year parole eligibility period added to the sentence begins date to determine the parole eligibility date on the class A felony sentence. After this date the service of time on the non-class A felonies shall begin. An additional 15 years shall be added for each class A felony. Any good time credits shall not be deducted from the fixed parole eligibility date for each class A felony. (Authorized by K.S.A.

75-5210, as amended by 1990 S.B. 748, § 48; 75-5251, as amended by 1990 S.B. 748, § 60; implementing K.S.A. 22-3427, K.S.A. 1989 Supp. 21-4608, 22-3717; K.S.A. 75-5210, as amended by 1990 S.B. 748, § 48; 75-5251, as amended by 1990 S.B. 748, § 60; effective Nov. 12, 1990.)

44-6-120. Application of good time to record. (a) 360 day year. For the purpose of earning, awarding and applying good time credits, the year shall be calculated as a 360-day period with each month being 30 days in length.

(b) Good time credits for every unit team review period, including special reviews, shall be applied to the official inmate record by the records officer of the facility, following recommendation by the unit team and the approval of the program management committee and the warden or warden's designee. Good time credits shall be applied to the inmate's record in the following manner:

(1) At the initial inmate classification review, 100 percent of good time credits shall be awarded for the period from the sentence begins date to the date of the classification review, unless there is written documentation in the inmate's record of maladjustment on the part of the inmate prior to the date of the classification review;

(2) annually for inmates who are more than two years from being parole eligible;

(3) every 120 days for inmates who are within two years of parole eligibility;

(4) every 30 days during the review period immediately prior to parole eligibility.

(c) Application only to minimum until parole eligibility. All good time credit awards and forfeitures shall be applied only to the minimum sentence until the parole eligibility has been reached. However, meritorious good time shall be applied simultaneously to both the minimum and maximum sentence. After parole eligibility has been reached, no further good time credit of any kind shall be awarded on the minimum. After parole eligibility, all subsequent forfeitures of good time credits shall be utilized to adjust the conditional release date. The inmate shall be considered as proceeding toward the conditional release date following parole eligibility or hearing, subject to any order of the Kansas parole board in passing or continuing the case.

(d) Unit team running tally. The unit team shall keep a running tally of the good time credits earned and awarded, less any good time credits forfeited by disciplinary action.

(e) Records; form and manner set by secretary. Records shall be maintained in a form and manner established by internal management policy and procedure, or IMPP, of the secretary. (Authorized by K.S.A. 75-5210, as amended by 1990 S.B. 748, § 48; 75-5251, as amended by 1990 S.B. 748, § 60; implementing K.S.A. 22-3427; K.S.A. 1989 Supp. 21-4608, 22-3717; K.S.A. 75-5210, as amended by 1990 S.B. 748, § 48; 75-5251, as amended by 1990 S.B. 748, § 60; effective, T-84-32, Nov. 23, 1983; amended May 1, 1984; amended Nov. 12, 1990.)

44-6-121. Docketing parole hearings. For the purpose of docketing a parole hearing, it shall be presumed that the inmate will earn and be awarded the full amount of good time credit available for the period between docketing and parole eligibility. If the good time is in fact not

(continued)

earned and awarded, the warden or warden's designee shall notify the Kansas parole board so the name may be removed from the docket, and the release date extended accordingly, or so that other appropriate disposition may be made as deemed appropriate by the Kansas parole board. The records officer shall show the good time credits award for the last review period at 100% of available good time credits, subject to notice by the unit team that it is otherwise. (Authorized by K.S.A. 75-5210, as amended by 1990 S.B. 748, § 48; 75-5251, as amended by 1990 S.B. 748, § 60; implementing K.S.A. 22-3427; K.S.A. 1989 Supp. 21-4608, 22-3717; K.S.A. 75-5210, as amended by 1990 S.B. 748, § 48; 75-5251, as amended by 1990 S.B. 748, § 60; effective, T-84-32, Nov. 23, 1983; amended May 1, 1984; amended Nov. 12, 1990.)

44-6-124. Awarding good time. (a) Award each review period; one opportunity to earn good time; guidelines for granting and denying good time. Good time credits shall be awarded at every review designated for that purpose from credits available to be earned for the period since the last review. All or any part of the credits allocated for that period may be awarded. For time covered by jail credit, the good time credits shall be presumed to have been earned unless there is written documentation of maladjustment on the part of the inmate prior to the date of the classification review, and shall be awarded by the unit team or classification committee prior to the initial hearing by the Kansas parole board.

If the entire allocation of good time credit is not awarded at any review, no part of that allocation shall be awarded at a later date. The inmate shall be permitted only one period of opportunity to earn the good time credits available for each separate period.

For parole eligibility, award of good time credits shall be limited as follows:

(1) Inmates with no class I offenses during the review period shall receive at least 50% of the good time credits allocation for that period.

(2) Inmates with no class I or II offenses during the review period shall receive at least 60% of the good time credits allocated for that period.

(3) Inmates with no class I, II or III offenses during the review period shall receive at least 70% of the good time credits allocated for that period.

(4) Inmates with no class I, II, III or IV offenses during the review period shall receive at least 80% of the good time credits allocated for that period.

(5) The balance of the credits above the percentages listed in paragraphs (a)(1) to (a)(4) shall be awarded by the unit team based on factors of good work, behavior, and on other performance factors related to effective rehabilitation of the inmate.

(b) Award at discretion of unit team and based on merit. The unit team may refuse to award all or part of that portion of the credits over which it has discretion for poor behavior or work, for malingering in educational programs, or for other relevant reasons determined, explained and documented by the unit team. Inability to work or participate in programs due to legitimate health problems, or for other reasons beyond the inmate's control shall not be considered grounds, standing alone, for refusing to award good time credits. (Authorized by K.S.A.

75-5210, as amended by 1990 S.B. 748, § 48; 75-5251, as amended by 1990 S.B. 748, § 60; implementing K.S.A. 22-3427; K.S.A. 1989 Supp. 21-4608, 22-3717; K.S.A. 75-5210, as amended by 1990 S.B. 748, § 48; 75-5251, as amended by 1990 S.B. 748, § 60; effective, T-84-32, Nov. 23, 1983; amended May 1, 1984; amended Nov. 12, 1990.)

44-6-125. Good time forfeitures not restored; exceptions; limits; parole. (a) After May 1, 1981, no good time restored. For all inmates, good time which was forfeited on and after May 1, 1981 shall not be restored at a later date. The warden may request an exception in order that standards of basic fairness, equity and justice may be met. In such a case, the warden shall show good cause for restoration of good time credits, in writing, to the secretary or the secretary's designee. Restoration of good time credits by exception shall be granted only upon written approval by the secretary or the secretary's designee. Good time forfeited prior to the first effective date of this regulation, May 15, 1980, may be restored in accordance with the secretary of corrections' policies and procedures then in force and effect.

(b) Forfeit only on minimum until parole eligibility. Prior to parole eligibility, forfeited good time credits shall be subtracted from the amount of good time credits earned toward the parole eligibility only, and not from those credits used to create the conditional release date. After parole eligibility is established, subsequent forfeited credits shall be subtracted from the credits used to form the conditional release date.

(c) Forfeitures limited to awards; no extension of maximum. Good time credits shall not be forfeited in an amount in excess of the good time previously earned and awarded. In no case shall forfeiture of good time extend the controlling maximum sentence nor shall it interfere with or bypass any statutorily fixed parole eligibility that is not controlled by good time credits.

(d) No parole eligibility if forfeited time remains unserved. If good time credits on the term have been forfeited, and if eligibility is statutorily controlled by good time credits, an inmate shall not be eligible for parole unless the inmate has served the time which otherwise would have been subtracted from the term by the application of the credits, or has obtained a restoration of those credits.

(e) Forfeitures made by disciplinary process. Forfeiture of good time credits may be ordered by the disciplinary board or hearing officer as a penalty for the inmate's commission of certain offenses as set out in K.A.R. 44-12-1 *et seq.* and 44-13-1 *et seq.* (Authorized by K.S.A. 75-5210, as amended by 1990 S.B. 748, § 48; 75-5251, as amended by 1990 S.B. 748, § 60; implementing K.S.A. 22-3427; K.S.A. 1989 Supp. 21-4608, 22-3717; K.S.A. 75-5210, as amended by 1990 S.B. 748, § 48; 75-5251, as amended by 1990 S.B. 748, § 60; effective, T-84-32, Nov. 23, 1983; amended May 1, 1984; amended Nov. 12, 1990.)

44-6-126. Meritorious good time. (a) For all those inmates incarcerated for crimes committed before July 1, 1982, "meritorious" good time credits shall be recommended to the Kansas parole board for some meritorious act by the inmate, if deemed appropriate by the unit team and subject to the approval of the program management committee and the warden. The action taken by

the Kansas parole board shall be recorded in the inmate's record by the records officer at the institution. The application of these "meritorious" good time credits shall be in addition to the other authorized good time credits. For offenses committed on or after July 1, 1982, no meritorious good time shall be given.

(b) On and after July 1, 1984, meritorious good time shall again be available and may be awarded by the secretary of corrections in accordance with the provisions of K.S.A. 1989 Supp. 22-3717(a). (Authorized by K.S.A. 75-5210, as amended by 1990 S.B. 748, § 48; 75-5251, as amended by 1990 S.B. 748, § 60; implementing K.S.A. 22-3427; K.S.A. 1989 Supp. 21-4608, 22-3717; K.S.A. 75-5210, as amended by 1990 S.B. 748, § 48; 75-5251, as amended by 1990 S.B. 748, § 60; effective, T-84-32, Nov. 23, 1983; effective May 1, 1984; amended, T-85-37, Dec. 19, 1984; amended May 1, 1985; amended Nov. 12, 1990.)

44-6-134. Jail credit time, or JC. (a) Jail credit as basis for sentence begins date set by court. Since the court is required by statute to specify in the journal entry the sentence begins date which adjusts for jail credit, jail credit shall not be used in the sentence computation unless an authorization appears in the journal entry of judgment form. When only the number of days of jail credit earned is contained in the journal entry, the records office shall compute the sentence begins date by subtracting jail credit from the date of sentencing. The amount of jail credit shall not adjust the sentence begins date so that it falls prior to the date of commission of the offense.

(1) Jail credit shall be earned if the inmate was committed to the state hospital prior to sentencing on the current conviction.

(2) Jail time shall be credited while in custody pending disposition of charges on the earlier sentence when consecutive sentences are imposed on different dates. The credits on the earlier sentence shall be computed so that the credits do not overlap into the latest imposed sentence. The credits for time spent previously in custody pending disposition of charges shall be recorded as jail credit but the credit shall not exceed an amount equal to the previous minimum sentence less the maximum amount of good time credits that could have been earned on the minimum sentence. The remainder of credits shall be recorded as sentence maximum credits to apply to the maximum date. If prior penal credit was included as jail credit by the court, the credit shall be shown as jail credit.

(3) Jail credit shall be earned for time spent at the state reception and diagnostic center for presentence evaluation.

(b) If it appears that the inmate has not been given credit for time spent in jail awaiting disposition of the charge, the facility records officer shall refer the matter to the court and inform the defense attorney in a form and manner prescribed by the secretary of corrections for correction of the journal entry. (Authorized by K.S.A. 75-5210, as amended by 1990 S.B. 748, § 48; 75-5251, as amended by 1990 S.B. 748, § 60; implementing K.S.A. 22-3427; K.S.A. 1989 Supp. 21-4608, 22-3717; K.S.A. 75-5210, as amended by 1990 S.B. 748, § 48; 75-5251, as amended by 1990 S.B. 748, § 60; effective, T-84-32, Nov. 23, 1983; effective May 1, 1984; amended Nov. 12, 1990.)

44-6-135. Prior penal credit (PPC). Prior penal

credit shall be computed and applied by department of corrections' personnel. (a) To compute prior penal credit for court releases, the effective date of the sentence shall be subtracted from the date of the final disposition of the court by release on probation, appeal bond, or vacating of the sentence. Pre-sentence evaluation time at state reception and diagnostic center shall not be considered as prior penal credit, but shall be considered jail credit.

(b) To compute prior penal credit for an aggregate sentence, the sentence begins date of the earlier controlling minimum sentence date shall be subtracted from the release date and applied as follows:

(1) The actual time incarcerated, not exceeding an amount equal to the previous minimum sentence less the maximum amount of good time credit that could have been earned under the law in effect at the time, shall be the prior penal credit available.

(2) The prior penal credit for a mandatory minimum sentence prior to July 1, 1982 shall be restricted to a total credit equal to the actual time served prior to July 1, 1982, and the remaining minimum time to serve less all good time credits which could have been earned after July 1, 1982.

(3) The prior penal credit for a life sentence shall not exceed 15 years or the aggregated 15 years. The remainder of the credit shall be credited as maximum sentence credit.

(4) Accelerated parole eligibility dates under K.S.A. 1988 Supp. 22-3725 shall be credited to May 19, 1988 if the accelerated date was prior to the effective parole eligibility date under that statute.

(5) Accelerated parole eligibility dates under K.S.A. 1989 Supp. 22-3725 shall be credited to August 1, 1989 if the accelerated parole eligibility date was prior to the effective date of that statute.

(c) Computations of prior penal credit shall be subject to the provisions of K.A.R. 44-6-134, 44-6-136, 44-6-137, and 44-6-138. (Authorized by K.S.A. 75-5210, as amended by 1990 S.B. 748, § 48; 75-5251, as amended by 1990 S.B. 748, § 60; implementing K.S.A. 22-3427; K.S.A. 1989 Supp. 21-4608, 22-3717; K.S.A. 75-5210, as amended by 1990 S.B. 748, § 48; 75-5251, as amended by 1990 S.B. 748, § 60; effective, T-84-32, Nov. 23, 1983; effective May 1, 1984; amended Nov. 12, 1990.)

44-6-135a. Maximum sentence credit. Maximum sentence credit shall be the remaining amount of time incarcerated which exceeded the prior penal credit or jail credit on an earlier sentence. For consecutive sentences aggregated to previously imposed consecutive sentences, the latest sentence shall be credited with the remaining amount of time incarcerated for the latest release which exceeded the prior penal credit plus all the prior penal credit earned on the earlier consecutive sentences. The maximum sentence date shall be adjusted by that amount. (Authorized by K.S.A. 75-5210, as amended by 1990 S.B. 748, § 48; 75-5251, as amended by 1990 S.B. 748, § 60; implementing K.S.A. 22-3427, K.S.A. 1989 Supp. 21-4608, 22-3717; K.S.A. 75-5210, as amended by 1990 S.B. 748, § 48; 75-5251, as amended by 1990 S.B. 748, § 60; effective Nov. 12, 1990.)

44-6-136a. Forfeited good time on parole. Forfeited
(continued)

good time on parole shall be computed from the date of release on parole to the date delinquent time on parole began or to admission to a Kansas department of corrections' facility if DTLOP does not apply. Good time forfeited on or after August 1, 1989, shall be at the rate in effect on that date. Good time forfeited before August 1, 1989 shall be at the rate in effect at the time of the forfeiture. (Authorized by K.S.A. 75-5210, as amended by 1990 S.B. 748, § 48; 75-5251, as amended by 1990 S.B. 748, § 60; implementing K.S.A. 22-3427, K.S.A. 1989 Supp. 21-4608, 22-3717; K.S.A. 75-5210, as amended by 1990 S.B. 748, § 48; 75-5251, as amended by 1990 S.B. 748, § 60; effective Nov. 12, 1990.)

44-6-143. Computation of consecutive sentences. (a) On or after May 7, 1987, if an individual is sentenced for an offense committed while on probation, parole, or conditional release for a felony, and the probation, parole, or conditional release is subsequently revoked, the sentences shall be computed as consecutive.

(b) In the event a previously imposed sentence expires prior to the imposition of the new sentence, computation shall be made only on the basis of the new sentence. (Authorized by K.S.A. 75-5210, as amended by 1990 S.B. 748, § 48; 75-5251, as amended by 1990 S.B. 748, § 60; implementing K.S.A. 22-3427, K.S.A. 1989 Supp. 21-4608, 22-3717; K.S.A. 75-5210, as amended by 1990 S.B. 748, § 48; 75-5251, as amended by 1990 S.B. 748, § 60; effective Nov. 12, 1990.)

Article 7.—PROGRAMS AND ACTIVITIES

44-7-104. Inmate visitation. (a) Each principal administrator shall promulgate orders to govern inmate communication with family, friends and relatives and others through visits to the institution or facility. The following rules and procedures shall be observed by the institutions and facilities in the administration of visits:

(1) A suitable area and reasonable space within the institution or facility shall be provided for inmate visitation. All visits shall be held in this area, except when authorization is granted by the principal administrator to visit an inmate elsewhere. The principal administrator, for reasons of security and order of the institution or facility, may direct that a visit be allowed under circumstances where personal contact between the inmate and visitor is not permitted.

(2) Each inmate may make a list of not more than 10 friends or relatives for the purpose of visiting the inmate in the institution or facility. A married couple living in the same household shall be considered as one eligible visitor. The list of potential visitors, including their full names, relationships to the inmate, residence or mailing address, and telephone numbers, if known, shall be submitted to the principal administrator for approval. Prior to approving the list of visitors, designated officials shall:

(A) Inform the individuals listed that the inmate has requested permission to receive visits from them and ask if they want to make such visits;

(B) furnish to each potential visitor a copy of the principal administrator's orders concerning visits and a copy of the secretary of corrections' IMPP 012-115: search of visitors;

(C) conduct investigations necessary to verify the re-

lationship to the visitor claimed by the inmate and confirm that no reasons exist for disapproving visitation;

(D) inform the proposed visitors that persons below age 18 may not visit, unless they are members of the immediate family. For the purpose of this section "immediate family" means siblings, step-siblings, and children, step-children, grandchildren, and spouse; and

(E) inform the proposed visitors that persons below age 18 who are members of the immediate family, except a spouse, may not visit unless they are accompanied by a parent, legal guardian, or an adult who has been given the power of attorney by the parent or legal guardian vesting the person with authority to transport and supervise the minor child on the premises of the institution or facility for the purpose of visiting an inmate.

(3) Regardless of any visiting list restrictions, visitation is at reasonable times shall be permitted by an inmate's attorney or clergy, unless a clear abuse of this privilege has occurred or unless such a visit may prove dangerous or harmful to the security and order of the institution or facility or the rehabilitation of any inmate. The institution, facility and inmate may be visited at a reasonable time by members of the state legislature, judges of Kansas state courts, members of the Kansas parole board, ombudsman and corrections ombudsman board, and at any time by the attorney general, or the governor. The secretary of corrections, any deputy secretary, special agent, or the legal counsel shall have full access at any time. Those individuals requesting visits with an inmate, who are not designated on the list or who have not yet been approved for visitation, shall be interviewed and identified by authorized personnel. If the requested visits conform to institutional, facility and departmental requirements, one visit may be approved pending further investigation and approval of subsequent visits. Ex-inmates are prohibited visitation unless approval is given by the principal administrator. Parolees and probationers shall first be approved by the principal administrator and have written authorization from their supervisor prior to visitation. No individual involved in or convicted of any type of narcotic offense shall be permitted to visit an institution or facility without prior approval of the principal administrator. If an inmate refuses to see a particular visitor, the refusal shall be stated in writing and noted in the institution or facility's records.

(4) Visitors in the institution or facility shall:

(A) Wear appropriate attire as described and published by the principal administrator;

(B) not give or receive any written material, article, or merchandise of any sort except in accordance with approved principal administrator's orders or departmental regulations, or with the permission of the principal administrator.

(C) not be permitted to visit more than one inmate at any one visitation time unless the visitor is a member of the immediate family, as defined in K.A.R. 44-5-113(a), of more than one inmate confined in the institution or facility;

(D) sign the institution or facility's register before and after the visitation;

(E) be subject to search, photographing and fingerprinting;

(Published in the *Kansas Register*, September 27, 1990.)

(F) be restricted in visitation rights if institution or facility disturbances occur;

(G) completely fill out the visitors' security check card; and

(H) not distribute anything inside a correctional institution or facility without written permission from principal administrator.

(5) No individual who was an employee of an institution or facility or who regularly worked at an institution or facility as an employee of an entity under contract to provide services to the institution or facility, shall be permitted to have visits, in other than a professional capacity, with an inmate for a minimum of one year after such employment terminated. Approval of visits after one year shall be at the discretion of the principal administrator upon application of the inmate or former employee. In the event the principal administrator disapproves the visits, the principal administrator shall notify the inmate and former employee of the specific reasons for the denial.

(6) Designated personnel shall be present during all visitations and shall supervise visits to the extent appropriate to the nature and privacy of the relationship between the inmate and visitor, and in accordance with maintenance of security and control.

(7) An individual's visiting privileges may be suspended if the individual violates any visitation regulations or rules while in the institution or violates K.S.A. 21-3826, or amendments thereto. The principal administrator shall determine the length of any suspension. The initial length of suspension shall not exceed one year and shall be reviewable on an annual basis thereafter at the request of the inmate.

(8) Any person, including a visitor, shall be subject to search prior to entering the grounds of a correctional facility. An individual's visiting privilege may be suspended for a period of up to 90 days if the individual refuses a request by institution personnel to be searched prior to or after gaining access to institution grounds for the purpose of visiting an inmate. The principal administrator shall determine the length of any suspension.

(b) A place shall be provided for private consultation by attorneys and priests or ministers, or other persons having a statutory right of privileged communication to permit confidential conversation. Only those security measures necessary to preserve security shall be permitted to interfere with the consultation. No sound monitoring shall be conducted. Visual monitoring shall be permitted only where necessary to maintain security.

(c) This regulation shall apply only to the regular inmate visitation program. Any visits to inmates resulting from a program otherwise implemented by the department of corrections shall be regulated pursuant to guidelines adopted specifically for that program. (Authorized by and implementing K.S.A. 75-5210, 75-5251, 75-5252; effective May 1, 1980; amended May 1, 1987; amended May 1, 1988; amended Nov. 12, 1990.)

Notice of Bond Sale

\$773,000

General Obligation Economic Development Bonds Series 1990-B of Salina Airport Authority (Saline County, Kansas)

Salina Airport Authority (Saline County, Kansas) will receive sealed bids addressed to Timothy F. Rogers, Executive Director, Salina Municipal Airport/Industrial Center, 3237 Arnold Ave., Salina, KS 67402, (913) 827-3914, until 11 a.m. C.D.T. on Wednesday, October 10, 1990, for the purchase of \$773,000 principal amount of General Obligation Economic Development Bonds, Series 1990-B, of the authority, at which time and place such bids will be publicly opened, read and considered at a meeting of the board of directors of the authority to be held at said time, date and place. The board of directors will accept the best bid or reject all bids at that meeting. No oral or auction bids will be considered.

Terms of the Bonds

The bonds will be dated October 1, 1990, and will mature serially on September 1 in the years and in the amounts set forth below. The bonds will consist of fully registered certificated bonds, each in the denomination of \$5,000 or integral multiples thereof not exceeding the principal amount of bonds maturing on the same maturity date; provided, however, that one of the bonds maturing on September 1, 1991, may be in the denomination of \$3,000 or such amount may be added to another bond or bonds maturing on the same maturity date. Interest will be payable semiannually on September 1 and March 1 (the interest payment dates), beginning March 1, 1991.

The principal of the bonds will be payable at the principal office of the Kansas State Treasurer (the paying agent and bond registrar) to the registered owners thereof upon presentation of the bonds for payment and cancellation. Interest on the bonds will be payable to the registered owners appearing on the books maintained by the bond registrar as of the 15th day of the month preceding each interest payment date (the record dates). The fees of the bond registrar for registration and transfer of the bonds will be paid by the authority.

The bonds will become due on the stated maturity dates as follows:

Principal Amount	Maturity September 1
\$18,000	1991
20,000	1992
20,000	1993
25,000	1994
25,000	1995
25,000	1996
30,000	1997
30,000	1998
30,000	1999
35,000	2000
35,000	2001
40,000	2002
45,000	2003
45,000	2004

(continued)

50,000	2005
50,000	2006
55,000	2007
60,000	2008
65,000	2009
70,000	2010

Bonds maturing on September 1, 1999, and thereafter will be subject to redemption prior to maturity at the option of the authority, as a whole or in part, in inverse order of maturity (selection of bonds for partial redemption of bonds of the same maturity to be by such method as the bond registrar shall deem fair and appropriate) on September 1, 1998, or on any interest payment date thereafter, at the redemption price of 100 percent of the principal amount of bonds redeemed plus accrued interest to the redemption date, without a premium.

Authority, Purpose and Security

The bonds are being issued pursuant to the provisions of K.S.A. 10-101 *et seq.*, as amended, and K.S.A. 27-315 to 27-326, inclusive, as amended, for the purpose of retiring a temporary note of the authority that was issued to finance the cost of purchasing, constructing, extending and improving the property and facilities of the authority, including constructing and equipping a pilot classroom building. The principal of and interest on the bonds are payable from ad valorem taxes that may be levied without limitation as to rate or amount upon all of the taxable tangible property within the territorial limits of the city of Salina, Kansas.

Conditions of Bids

Bids will be received for the bonds bearing such rate or rates of interest as may be specified by the bidder. The same rate will apply to all bonds of the same maturity. Each interest rate specified will be a multiple of $\frac{1}{8}$ or $\frac{1}{20}$ of 1 percent. The difference between the highest and lowest rates specified in any bid will not exceed 2 percent. No interest rate will exceed the maximum interest rate allowed by Kansas law, said rate being the "20 Bond Index" of treasury bonds published in *Muntnweek* (formerly the weekly *Credit Markets*) in New York, New York, on October 8, 1990, plus 2 percent. No bid of less than par and accrued interest will be considered. Bids for less than the entire issue of bonds will not be considered.

Bid Form and Good Faith Deposit

Bids will be submitted on the official bid form furnished by the authority and will be addressed to Timothy F. Rogers, Executive Director, Salina Municipal Airport/Industrial Center, 3237 Arnold Ave., Salina, KS 67402, and will be plainly marked "Bond Bid." Each bid will specify the total interest cost to the authority on the basis of such bid and the average annual net interest rate on the basis of such bid. The net interest cost to the authority will be determined by subtracting the amount of the premium, if any, from the total interest cost and will be stated as a dollar amount in the bid. The authority will be entitled to rely on such dollar amount as stated in the bid as the basis of determining the lowest net interest cost bid. If there is any discrepancy between said net interest cost and the average annual interest rate specified, the specified net interest cost will govern and the rates specified in the bid will be adjusted accordingly.

Each bid must be accompanied by a certified or cashier's check equal to \$15,460, made payable to the treasurer of the authority. In the event a bidder whose bid is accepted fails to carry out the contract to purchase the bonds, said deposit will be retained by the authority as liquidated damages. The checks of unsuccessful bidders will be returned promptly.

Basis of Award

The authority reserves the right to reject any and all of the bids and to waive any irregularities. Unless all bids are rejected, the bonds will be awarded to the bidder whose proposal results in the lowest net interest cost to the authority.

Delivery of the Bonds

The bonds will be sold subject to the unqualified approving opinion of Stinson, Mag & Fizzell, bond counsel, of Kansas City, Missouri, a copy of whose opinion will be printed on the reverse side of each bond. Manually signed originals of the opinion will be furnished without expense to the purchaser of the bonds at the delivery thereof. The cost of the opinion of bond counsel and the expense of printing the bonds will be paid by the authority.

The number and denominations of bonds and names of the registered owners to be shown on the bonds initially delivered must be submitted in writing by the successful bidder to the bond registrar not later than October 24, 1990.

The purchaser will be furnished with a complete transcript of proceedings evidencing the authorization and issuance of the bonds and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds will be made in Federal Reserve funds or other immediately available funds not later than 11 a.m. Kansas City time on the day of delivery. Delivery of the bonds will be made to the successful bidder on or about October 31, 1990, at such location as may be specified by the purchaser. The purchase price, including accrued interest from the date of the bonds to the date of delivery, will be paid at delivery or the good faith deposit will be forfeited.

Tax Exemption

In the opinion of bond counsel, under existing statutes, regulations, rulings and court decisions, including the Internal Revenue Code of 1986, interest on the bonds is not includable in gross income for purposes of federal income taxation except that: (i) interest on any bond for any period during which it is held by a person who is a "substantial user" of the improvements financed with the bonds or a "related person" as those terms are used in Section 147 of the code is includable in gross income of the recipients thereof; and (ii) interest on the bonds is an item of tax preference for both the corporate and non-corporate alternative minimum tax and therefore includable in whole in determining alternative minimum taxable income. The code imposes an alternative minimum tax rate of 20 percent for corporations and 21 percent for individuals and other non-corporate taxpayers. In addition, interest on the bonds may be subject to the branch profits tax under the code. The authority has not designated the bonds as "qualified tax-exempt obligations" un-

der Section 265 of the code relating to interest deductions for banks and thrift institutions. Reference is made to the preliminary official statement for further discussion of federal income taxation matters relating to the interest on the bonds.

CUSIP Identification Numbers

CUSIP identification numbers will be printed on the bonds. All expenses in relation to printing of CUSIP numbers on the bonds and the expenses charged by the CUSIP Service Bureau for the assignment of said numbers shall be the responsibility of and shall be paid for by the authority.

Bond Rating

The authority has applied to Moody's Investors Service, Inc. for a rating on the bonds. The outstanding general obligation bonds of the authority are rated "A" by Moody's Investors Service, Inc. The authority is authorized to issue general obligation bonds not to exceed 3 percent of the assessed valuation of all of the taxable tangible property within the territorial limits of the city.

Assessed Valuation and Bonded Indebtedness

The total assessed valuation of the taxable tangible property within the city for 1989 is \$189,199,783. The total general obligation bonded indebtedness of the authority as of October 1, 1990, including this \$773,000 proposed issue of bonds, will be \$2,673,000.

Preliminary Official Statement and Official Statement

The authority has prepared a preliminary official statement dated September 21, 1990, copies of which may be obtained from the undersigned or the authority's financial advisor. The authority deems said preliminary official statement final as of its date for purposes of Rule 15c2-12 adopted by the Securities and Exchange Commission, except for the omission of certain items specified in paragraph (b)(1) of said rule.

Upon the sale of the bonds, the authority will approve the final official statement. The authority will furnish the successful bidder copies of said final official statement in a sufficient quantity to comply with paragraph (b)(4) of said rule and the rules of the Municipal Securities Rulemaking Board. A reasonable number of copies will be furnished without cost to the successful bidder within seven business days after the acceptance of the successful bid. Any additional copies will be paid for by the successful bidder and will be furnished within the time period stated above or within three business days after the successful bidder notifies the authority of the number of additional copies, if any, required for compliance with said rule, whichever is later.

Official Information

Additional copies of this notice of bond sale, the official bid form or further information may be obtained from George K. Baum & Company, Kansas City, MO 64105, (816) 474-1100, the authority's financial advisor.

Dated September 21, 1990.

Executive Director

(Published in the Kansas Register, September 27, 1990.)

Summary Notice of Bond Sale

\$250,000

City of Humboldt, Kansas

General Obligation Swimming Pool Bonds

(general obligation bonds payable
from unlimited ad valorem taxes)

Details of the Sale

Subject to the terms and conditions of the complete official notice of bond sale, dated as of September 10, 1990, of the city of Humboldt, Kansas, in connection with the public sale of the city's General Obligation Swimming Pool Bonds, Series A, 1990, hereinafter described, sealed, written bids shall be received at the city's offices at 701 Bridge, Humboldt, until 7 p.m. C.D.T. on Tuesday, October 9, 1990, for the purchase of the bonds. All bids shall be publicly opened, read aloud and considered on said date and at said time and shall be immediately thereafter acted upon by the governing body of the city.

The bonds to be sold are in the aggregate principal amount of \$250,000. No oral or auction bids for the bonds shall be considered, and no bids for less than the entire amount of the bonds shall be considered.

Bids shall be accepted only on the official bid form that has been prepared for the public bidding on these bonds, which may be obtained from the city clerk or from the city's financial advisor. Bids may be submitted by mail or may be delivered in person and must be received at the place and no later than the date and time hereinbefore specified. Each bid shall be accompanied by a good faith deposit in the form of a certified or cashier's check drawn on a bank located within the United States and made payable to the order of the city, and shall be in an amount equal to 2 percent of the principal amount of the bonds.

Details of the Bonds

The bonds shall be issued as fully registered bonds in denominations of \$5,000, or any integral multiple thereof not exceeding the principal amount of bonds maturing in any year. The bonds shall bear a dated date of October 1, 1990. The bonds shall bear interest, payable as hereinafter set forth, at the rates specified by the successful bidder for the bonds. The bonds are not subject to redemption prior to maturity.

Interest on the bonds shall be payable semiannually on June 1 and December 1 of each year, commencing June 1, 1991, and the bonds shall mature serially on December 1 in each of the years and principal amounts as follows:

Principal Amount	Maturity Date
\$ 15,000	1991
20,000	1992
20,000	1993
25,000	1994
25,000	1995
25,000	1996
25,000	1997
30,000	1998
30,000	1999
35,000	2000

(continued)

Payment of Principal and Interest

The Kansas State Treasurer shall serve as the bond registrar and paying agent for the bonds, and the principal of the bonds shall be payable upon surrender at the paying agent's principal offices in the city of Topeka, Kansas. Interest shall be paid by the mailing of a check or draft of the paying agent to the registered owners of the bonds.

Security for the Bonds

The bonds and the interest thereon shall constitute general obligations of the city, and the full faith, credit and resources of the city shall be pledged to the payment thereof. The city shall be obligated to levy ad valorem taxes without limitation as to rate or amount upon all of the taxable tangible property within the territorial limits of the city for the purpose of paying the bonds and the interest thereon.

Delivery of the Bonds

The bonds, duly printed, executed and registered, shall be furnished and delivered at the expense of the city to the successful bidder, or at its direction, on or about Wednesday, October 31, 1990, at such bank or trust company or other qualified depository in the state of Kansas or Kansas City, Missouri, as may be specified by the successful bidder. Delivery elsewhere shall be made at the expense of the successful bidder.

Legal Opinion

The bonds will be sold subject to the legal opinion of Hinkle, Eberhart & Elkouri, Wichita, Kansas, bond counsel, whose fees will be paid by the city. Bond counsel's approving legal opinion as to the validity of the bonds will be printed on the bonds and will be delivered to the successful bidder upon delivery of the bonds. (Reference is made to the official notice of bond sale for a discussion of tax exemption and other legal matters.)

Financial Matters

The city's 1989 assessed valuation is as follows:

Assessed valuation of taxable tangible property	\$3,992,201
Taxable value of motor vehicles	1,539,637
Equalized assessed tangible valuation for computation of bonded debt limitations	\$5,531,838

Exclusive of the bonds described herein, the city's outstanding general obligation indebtedness at October 1, 1990, will be \$915,000.

Official Statement

The city has prepared a preliminary official statement, dated as of September 27, 1990, relating to the bonds, copies of which may be obtained from the city or the city's financial advisor. The preliminary official statement is in a form "deemed final" by the city for the purpose of the Securities and Exchange Commission's Rule 15c2-12(b)(1), but is subject to revision, amendment and completion in the final official statement. Upon the sale of the bonds, the city shall furnish the successful bidder with a reasonable number of copies of the final official statement, without additional cost, upon request. Copies of the final official statement in excess of a reasonable number may be ordered at the successful bidder's expense.

Additional Information

For additional information regarding the city, the bonds and the sale, interested parties are invited to request

copies of the complete official notice of bond sale and official bid form and the city's preliminary official statement for the bonds, all of which may be obtained from the undersigned or from the city's financial advisor, Brian Corrigan, The Columbian Securities Corporation, 550 N. 159th St. East, Wichita, KS 67230, (316) 733-0014.

System Refunding Bonds
Series 1976**

Notice is hereby given that pursuant to the provisions of Ordinance No. 1165 of the city of Norton, Kansas, passed and approved by the governing body thereof August 17, 1976, \$140,000 principal amount of bonds of the above-captioned issue will be redeemed and paid prior to maturity on October 1, 1990, through funds held pursuant to an Escrow Trust Agreement authorized and established by Ordinance No. 1176 of the city, which authorized the issuance of Electric Light Plant and System Refunding Revenue Bonds, Series 1977, of the city. On said date, there will become due and payable upon each bond to be redeemed the principal amount thereof and accrued interest to said date, together with a premium of \$50 for each \$5,000 in principal amount of bonds so redeemed.

The bonds of said issue to be redeemed in whole are as follows:

Bonds numbered 47-74, inclusive, maturing October 1, 1991, to October 1, 1993, inclusive.

Payment of bonds to be redeemed will be made at the office of the Kansas State Treasurer, Topeka, Kansas, upon presentation and surrender of such bonds, together with all coupons, if any, appertaining thereto, maturing after the redemption date. Coupons maturing on October 1, 1990, may be surrendered for payment in the usual manner. From and after October 1, 1990, interest on the bonds to be redeemed will cease to accrue and be payable.

Dated as of this 21st day of September, 1990, by order of the governing body of the city of Norton, Kansas.

Rudy E. Wrenick, Jr.
Senior Vice President and Trust Officer
BANK IV Topeka, N.A.
Escrow Trustee

On November 1, 1990, all Bonds designated for redemption will become due and payable upon presentation thereof to one of the offices of the Paying Agents.

Coupon Bonds with the current coupon and all subsequent coupons attached should be presented to one of the offices of the Paying Agents:

BY MAIL:

Continental Bank, National Association
Attn: Corporate Trust Operations
231 South LaSalle Street, 19th Floor
Chicago, Illinois 60697

BY HAND:

Continental Bank, National Association
230 South Clark - 19th Floor
Chicago, Illinois 60697

Marine Midland Bank, N.A.
140 Broadway - 12th Floor
Coupon Paying Department
New York, New York 10010

Kansas State Bank
and Trust Company
Attention: Trust Department
123 North Market Street
P.O. Box 427
Wichita, Kansas 67201

To assure prompt payment of the redemption price, bond certificates should be sent, unendorsed, approximately two weeks before November 1, 1990 to the above address. Sending certificates by registered mail is suggested.

Where a fully Registered Bond is redeemed in part, a new fully Registered Bond for the unredeemed portion will be issued and returned without charge. While registered bondholders have the option of presenting Bonds to any of the above-mentioned Paying Agents, there will be delay in the issuance of Bonds for any unredeemed portion unless such presentment is made to the principal Paying Agent in Chicago at the above given address.

Interest on the Bonds called for redemption will cease to accrue on November 1, 1990.

Under the provisions of the Interest and Dividend Tax Compliance Act of 1983, Paying Agents making payments of interest or principal on corporate securities or making payments of principal on municipal securities, may be obligated to withhold a 20% tax from remittances to individuals who have failed to furnish the Paying Agent with a valid Taxpayer Identification Number. Holders of the above described securities who wish to avoid the imposition of this tax should submit certified Taxpayer Identification Numbers when presenting their securities for collection.

Trustee for Reno County, Kansas

September 20, 1990

Doc. No. 009728

(Published in the *Kansas Register*, September 27, 1990.)

**Notice of Call for Redemption
to the holders of
City of Hudson, Kansas
Industrial Revenue Bonds
Series A, 1983**

(Stafford County Flour Mills Company)

Notice is hereby given that pursuant to Section 6 of Ordinance No. 156 of the city of Hudson, Kansas, that all of the above-mentioned 1983 bonds maturing on and after May 1, 1991 (as more fully set forth below), and all unmatured coupons appertaining thereto, have been called for redemption and payment on November 1, 1990, at the office of First National Bank of Hutchinson, Hutchinson, Kansas (the fiscal agent):

Bond Nos.	Maturity Date	Principal Amount	Interest Rate
69-83	5-1-91	75,000	9.50%
84-99	5-1-92	80,000	9.75%
100-117	5-1-93	90,000	10.00%
118-137	5-1-94	100,000	10.25%
138-159	5-1-95	110,000	10.50%
160-240	5-1-98	405,000	11.00%

On such redemption date there shall become due and payable, upon the presentation and surrender of each such 1983 bond, the redemption price thereof equal to 102 percent of the principal amount of each 1983 bond together with interest accrued to the redemption date, upon the presentation and surrender of each such 1983 bond and appropriate coupons appertaining thereto. Interest shall cease to accrue on the 1983 bonds so called for redemption, and all unmatured coupons appertaining thereto, from and after November 1, 1990, subject to the condition that sufficient funds for redemption are then on deposit with the fiscal agent from the proceeds of certain refunding bonds to be issued by the city.

Under the provisions of the Interest and Dividend Tax Compliance Act of 1983, paying agents making payments of interest or principal on corporate securities or making payments of principal on municipal securities may be obligated to withhold a 20 percent tax from remittances to individuals who have failed to furnish the paying agent with a valid taxpayer identification number. Holders of the 1983 bonds who wish to avoid the imposition of the tax should submit certified taxpayer identification numbers when presenting the 1983 bonds for payment.

Under the provisions of the Interest and Dividend Tax Compliance Act of 1983, paying agents making payments of interest or principal on corporate securities or making payments of principal on municipal securities may be obligated to withhold a 20 percent tax from remittances to individuals who have failed to furnish the paying agent with a valid taxpayer identification number. Holders of the 1983 bonds who wish to avoid the imposition of the tax should submit certified taxpayer identification numbers when presenting the 1983 Bonds for payment.

Dated September 27, 1990.

Doc. No. 009775

State of Kansas

Department of Health and Environment

Notice Concerning Variance from Hazardous Waste Regulations

On September 15, 1989, the Kansas Department of Health and Environment granted a variance from the requirements of K.A.R. 28-31-8 (standards for hazardous waste facilities) and K.A.R. 28-31-9 (hazardous waste facility permits) to Aptus Environmental Services. The variance was granted in accordance with K.A.R. 28-31-13. The variance allowed Aptus to store hazardous waste at its Coffeyville facility prior to issuance of a final operating permit for the purpose of conducting an incinerator trial burn. The expiration date of the variance was September 15, 1990.

Aptus collected 1.7 million pounds of hazardous waste for the trial burn; 1.2 million pounds were used to conduct the trial burn, thus 0.5 million pounds of waste remains in storage at the Coffeyville facility. The trial burn was completed during August 1990.

On September 6, 1990, Aptus submitted a request to extend the variance in order to allow time for the trial burn results to be submitted and for a decision on an operating permit for the facility to be completed. This notice announces the department's tentative decision to extend the variance for one additional year in accordance with K.A.R. 28-31-13(c).

The department's intent is to grant an extension of the variance to allow Aptus to store the remaining hazardous waste at the Coffeyville facility until a final operating permit is issued or denied, or until the waste can be shipped off-site to a permitted treatment, storage or disposal facility. As specified in the original variance, no additional hazardous waste may be brought on site.

During the extension, all applicable conditions of the original variance will remain in effect. These conditions include operating standards, contingency planning, inspections, employee training programs, and record keeping requirements. In addition, Aptus will be required to submit monthly notification reports on the status of all hazardous waste stored at the Coffeyville facility. The extension will expire September 15, 1991.

A 10-day public comment period has been established on this action to allow interested and concerned citizens the opportunity to provide input into the decision making process. Anyone wishing to comment on this proposed action should submit written comments by October 6 to John Paul Goetz, P.E., Chief, Hazardous Waste Section, Bureau of Air and Waste Management, Kansas Depart-

ment of Health and Environment, Forbes Field, Building 740, Topeka 66620-0001.

Copies of the administrative record on this action will be available for public review at the following locations:

Notice Concerning Kansas Water Pollution Control Permits

In accordance with state regulations 28-16-57 through 28-16-63 and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, tentative permits have been prepared for discharges to the waters of the United States and the state of Kansas for the applicants described below. The tentative determinations for permit content are based on preliminary limitations of the state of Kansas and the EPA, and when issued will result in a state water pollution control permit and national pollutant discharge elimination system authorization to discharge subject to certain effluent limitations and special conditions.

Written comments on the proposed determinations may be submitted to Bethel Spotts, Permit Clerk, Kansas Department of Health and Environment, Division of Environment, Bureau of Water, Forbes Field, Topeka 66620. All comments received prior to October 26 will be considered in the formulation of final determinations regarding this public notice. Please refer to the appropriate application number (KS-90-112/137) and the name of applicant as listed when preparing comments.

If no objections are received, the Secretary of Health and Environment will issue the final determinations. If response to this notice indicates significant public interest, a public hearing may be held in conformance with state regulation 28-16-61. Media coordination (newspapers, radio) for publication and/or announcement of the public notice or public hearing is handled by the Kansas Department of Health and Environment.

The application, proposed permit, including proposed effluent limitations and special conditions, fact sheets as appropriate, comments received, and other information are on file and may be inspected at the Division of Environment offices from 8 a.m. to 4:30 p.m. Monday through Friday. The documents are available upon request at the copying cost assessed by KDHE. Additional copies of this public notice also may be obtained at the Division of Environment.

Stanley C. Grant
 Secretary of Health
 and Environment

NOW AVAILABLE . . .

**CUSTOM-MADE
LOOSELEAF BINDERS
for the
KANSAS REGISTER**

We are pleased to announce that custom-made *Kansas Register* binders are now available!

These binders will hold your copies of the *Kansas Register* attractively for permanent use. They are highest quality, durable, casebound Swing Hinge® binders made by McBee Loose Leaf Binder Products. (A Swing Hinge® binder has more capacity and allows for easier interfiling than standard ring binders.) They feature dark blue cloth covering and gold imprinting. Each three-inch binder will hold up to a year's worth of *Register* issues.

Order your binders today!

***Kansas Register* binders . . . \$18.00 each includes shipping and handling.**
